

A PRICE THAT FITS THE TRIP.

The \$47.95 Alcatraz benchmark is correct. Official adult options span roughly \$48-\$105. These prices help frame what Wharf visitors may expect to spend. [1]

Official Alcatraz option	Adult price	Included / format
Day Tour	\$47.95	Round-trip ferry and cellhouse audio tour.
Night Tour	\$59.65	Ferry, audio tour and evening programming.
Behind the Scenes	\$104.65	Includes the Night Tour; plan 4-5 hours.

AI SF Tour currently proposes **\$195 per guest for 3.5 hours**, with a live guide and up to eight guests. Guests buy Muni fares and coffee separately. A lower price needs to cover this staffing model; Alcatraz has a different operating model.

What \$50-\$100 means for our A/B budget

Illustration at 50% capacity: 208 guests/month, averaging four guests on each of 52 departures. All figures below are USD.

Tour ticket	Monthly sales*	Monthly surplus*	Break-even / month
\$50	\$12,480.00	-\$647.52	220 guests / 52.9%
\$75	\$17,680.00	\$4,245.68	154 guests / 37.0%
\$100	\$22,880.00	\$9,138.88	118 guests / 28.4%
\$195	\$42,640.00	\$27,733.04	63 guests / 15.1%

Keep the labor budget intact. Fixed monthly costs are \$11,897.20, including 267 owner hours at \$40/hour. That allowance exceeds the verified SF minimum of \$19.61/hour from July 1, 2026. It is not a complete employee payroll budget. [3]

*Same assumptions as the current workbook: \$40 return purchased by 25% of guests; 416 available seats/month; 2.9% + \$0.30 domestic-card fees, conservatively treating each guest and return as separate transactions; \$2 consumables/guest; 3% sales reserve. Surplus is after modeled owner time and overhead, before tax, employee overtime/payroll costs, OTA commissions and other unmodeled costs. Branch C is excluded. Demand and costs remain unvalidated. [2]

Suggested pricing test: Start by evaluating **\$100 per guest** within your proposed range. At this model's cost level it breaks even at about 118 guests/month. \$75 needs 154; \$50 needs 220. These are scenarios, not sales forecasts or a decision to change the advertised \$195 price.
